DR. JAMES T. JEREMIAH, PRESIDENT

.. "for
th

Seldom is any worthwhile work done for the glory of God by the singular efforts of one individual. On the other hand, the combined contributions of many have resulted in the reaching of seemingly impossible goals in the realm of Christian service. This is undoubtedly why the Apostle Paul, out of his own experience, reminded us that "we are laborers together with God" (I Corinthians 3:9).

Daily we are reminded that gratitude is due many friends of Cedarville College because they consistently stand with us in numerous ways in this Christian education program. Each of you is a vital part of the operation and expansion of this College. Because you are, I am certain that you will read with interest this specially-prepared report.

Every effort is being made for a sound and efficient operation in each department of this institution. Trustees, administrators, and faculty have spent many hours studying each facet of the program in an attempt to use the money entrusted to us to the best advantage. We cannot tolerate deficit spending and are determined to operate within the limitations of a carefully-planned budget. The budget is limited by income from students and the gifts from our interested churches and friends. It has been our purpose to keep student expenses as low as possible, but this can be done only when contributions come from other sources.

Capital improvements on the campus are made through specially designated contributions to the College. At the present time the major emphasis is upon a new science building. We believe that this new and highly important facility will become a reality within the next three years through the blessing of God and the cooperative effort of all who are interested in quality education at Cedarville College.

As we face another year we do so believing that objectives entrusted to His keeping will be fulfilled. He has challenged us to "commit thy way unto the Lord; trust also in Him and He shall bring it to pass" (Psalm 37:5).

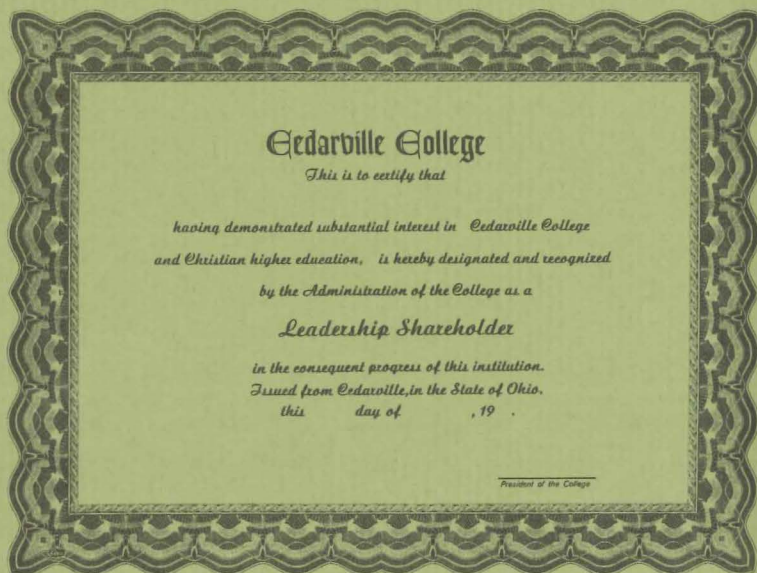

INVESTMENT CLUBS

You may not be able to give in terms of a commemorative room or other large memorial gift, but possibly you can take part in our Share Club Plan. This plan will allow each donor to select his or her appropriate degree of participation. If the college is to reach its objective, every friend of Cedarville College must participate in a manner consistent with ability.

The word "share" has deep meaning. It signifies the opposite of "assess" or "tax." To be able to share something of yours with a person or an institution which you love and admire is no hardship — it is a privilege and a joy. Anyone who has the future welfare of Cedarville College on his heart should welcome the opportunity to share in its development.

Churches, individuals, or organizations already giving regularly to the college will automatically be included as shareholders and receive the appropriate certificate.

Also, donors participating in the memorial opportunities of the "Three to Grow On" program will receive the appropriate shareholders certificate.

THE SHAREHOLDER

LEADERSHIP SHAREHOLDER

An individual, married couple, church, or organization contributing \$1,000 or more to the college during the fiscal year is honored by membership as a Leadership Shareholder.

DEDICATION SHAREHOLDER

An individual, married couple, church, or organization contributing \$500-\$999 to the college during the fiscal year is honored by membership as a Dedication Shareholder.

LOYALTY SHAREHOLDER

An individual, married couple, church or organization contributing \$100-\$499 to the college during the fiscal year is honored by membership as a Loyalty Shareholder.

HONOR TO WHOM HONOR IS DUE

It is the desire of the college to show our appreciation to those who are shareholders in the college. Our gratitude will be expressed in two ways: (1) A *Membership Certificate* will be mailed to each shareholder. This attractive parchment certificate can be displayed in your church or home as a proud reminder to others that you are a shareholder in the college. (2) Our *Annual Report* by Share categories but without amounts.

Donors qualifying to receive certificates for fiscal year July 31, 1969 - June 30, 1970 are listed on pages 8 through 11.

CHRISTIAN STEWARDSHIP AND ESTATE PLANNING

The College offers the services of three men on our staff who are trained professionals in estate planning. We have helped many friends of the College avoid legal problems, provide security for loved ones, and realize more income from their investments through proper financial planning. For conscientious Christian stewards, we can be of service by planning the best way to make gifts to the Lord's work.

CURRENT OPPORTUNITIES

The College launched a program to construct a new Science Center complex. This building is needed to keep pace with the growth of the College and to provide a more effective program for each student. This building will be a reality when \$800 thousand is received in gifts.

We would like to challenge churches and individuals to help us provide this enlarged ministry by giving a thousand dollars each toward the construction of the new Science Center. A plaque similar to this one in the library will be erected in the new Science Center to show appreciation to donors.

In order that you may have a permanent reminder that you have helped to make this building a reality, a small plaque with a four-color rendering of the new Science Center will be given to each of these donors.

First Year	\$ 334
Second Year	333
Third Year	333
Total	\$1,000

Many churches and individuals may feel it is impossible to make a thousand-dollar gift. You may wish to consider making a faith promise of a thousand dollars and trusting the Lord to enable you to make a third of the gift during each of the next three years. Construction should begin within three years and each year's gift would accumulate toward your thousand-dollar pledge.

Please: **Pray** and ask the Lord what part you can have in this project.

Mail the enclosed faith promise card to us. Your promise is not binding, but a genuine expression that you are trusting the Lord to enable you to give. It will be a real encouragement to us.
